If the camp is within a 500 mile radius, a Local Council Tour Permit must be secured. If the camp is over 500 miles from Great Rivers Council, a National Tour Permit is necessary. Four weeks time is required for approval of a National Tour Permit. Please give the Camping Service at our Council Service Center immediate notice of any changes in plans for an elsewhere camp. All Scouts attending long term camp must have a medical examination and a health history certificate properly signed by a physician, licensed to practice medicine, and parents or guardians. Medical examination forms are available at the Council Service Center. Also, units are required to have proof of accident insurance. Copies of the policy are available at the Service Center.
